AUSTRALIAN WOMEN'S  
SMALL BUSINESS  
**CHAMPION**  
AWARDS 2023

Dear Robyn,

**After careful deliberation by a highly esteemed judging panel, you've been deemed a 2023 Australian Women's Small Business Champion Awards winner!**

Huge congratulations to you and your team at Inspired Spaces Designs for winning this year's title of Home Builder / Renovations Champion.

This year marks the second consecutive year of the Australian Women's Small Business Champion Awards – a prestigious and comprehensive program created by Precedent Productions to honour the most inspiring and influential female-led small businesses from all corners of the country.

Despite myriad challenges faced by small business owners during the past two years – challenges which are, in the main and it must be said, somewhat amplified for female-led small businesses – Inspired Spaces Designs is clearly exhibiting vital requirements of professional success, team spirit, creativity, hard work and commitment.

As a Champion woman of your industry, you are inspiring future generations of Australian female business leaders; serving as a role model for what strong work ethic and ambition can achieve. Your Champion trophy is merely a symbol of this significant role you are playing in support of our nation's economic and social prosperity.

Enclosed is a media release for you to distribute to media as you consider fit. A winner's decal is also enclosed for you to display, and the official Women's Champion winner's logo will be emailed to you for promotional purposes. We encourage you to celebrate this momentous accolade with all members of your network.

Once again, congratulations on becoming a 2023 Australian Women's Small Business Champion Awards winner. Precedent Productions is truly excited for what the future holds for your business and we sincerely thank you for your invaluable contribution to Australian women in small business.

Yours faithfully,
