Dear Mrs Hawke,

May I congratulate you and your team on being announced the Interior Design/Styling category award winner at the 2022 Sydney Hills Local Business Awards Gala Presentation held on 18 October 2022. To have achieved this award multiple times over the years is outstanding.

The impact of COVID-19, floods and storm damage has greatly affected small businesses in our community. It is an incredible accomplishment to have achieved this Award in recognition of the outstanding level of excellence you and your team have worked hard under these circumstances.

The Hills district is fortunate to host a large number of small businesses that strive for excellence in a competitive and dynamic business community. I wish you every success in your award winning business.

If there is anything that I can help you or your business with, please do not hesitate to contact me.

Yours sincerely
